Upon receipt of your Registration form and payment, we will send you confirmation and map to our on site classroom and range.

There is no charge if you need information or want assistance in choosing the pistol, holster, or purse that would be best for your needs, use and comfort. Please call 303-646-4776 for assistance.

Type of Pistol you are bringing to shoot (if you want help *before the class* on how to choose the best pistol for you, please let us know and we will help you – no charge):

If you have questions, please call Bonnie and Dennis at 303-646-4776

You will need to bring your own:

- 1) Paper/pen for notes if you wish
- 2) water bottle with lid

For all Firearms Courses, also bring your own:

- 3) eye protection – glasses or safety goggles
- 4) hearing protection (consider Amazon or other source – electronic ear protection is very beneficial so here are a couple of suggestions with non-electric options also:
 - a. Electronic “ears” are very effective protection and still allow you to hear firing line commands and be aware of your surroundings. Here are some links that may help:

www.amazon.com/Howard-Leight-Amplification-Electronic-R-01902/dp/B007BGSI5U/ref=sr_1_1?ie=UTF8&qid=1498534986&sr=8-1-spons&keywords=electronic+ earmuffs&psc=1

www.amazon.com/FSL-Patriot-Electronic-Shooting-Protection/dp/B00X7XWPI2/ref=sr_1_8?ie=UTF8&qid=1498534986&sr=8-8&keywords=electronic+ earmuffs

- b. These non-electronic ear plugs are good and comfortable (I keep them with me in purse or pocket for noisy movies, concerts, church, etc. but for shooting, it would be good to add non-electronic ear muffs over the plugs:

https://www.amazon.com/SureFire-Defenders-filtered-Earplugs-reusable/dp/B004DH65RI/ref=sr_1_12?ie=UTF8&qid=1499045445&sr=8-12&keywords=hearing%2Bprotection%2Bfor%2Bshooting&th=1&psc=1

- 5) your pistol

There is no charge if you need information in choosing the pistol, holster or accessories that would be best for your use and comfort, so please call 303-646-4776 for assistance.

- 6) 200 rounds of ammunition for your pistol – *Due to group safety and qualification needs, we require **only commercially manufactured ammunition** for the course.*
- 7) Please bring appropriate holster for your gun. Whether you will be carrying your pistol in a special conceal-carry purse, waistband holsters or belt and holster, it is best to practice with what you will use to defend yourself if necessary. This link may help get you started with the variety of holsters available: <https://www.amazon.com/Concealed-Carry-Purse-Genuine-Right-hand/dp/B00GVPZQVG>. There are many other quality accessories available and we'd be happy to discuss the options with you.

If you don't receive your confirmation and map to our on site classroom and range within 2 days of our receiving your Registration form and payment, please email us at Admin@byb-healing.com !
